Our fragrant bars of luxurious soap are naturally scented with pure essential oils. We make our soap with olive oil and palm oil, which make it hard and long lasting, as well as mild and moisturizing. We include coconut oil to produce a wonderful fluffy lather, even in hard water. Grapeseed oil softens and soothes, helping to protect your skin from the drying effects of wind, sun, and cold. Each bar is naturally coloured using spices, herbs, plant powders, or mineral pigments.
